Cell Phone _____ Fax Number _____

Daytime Phone _____ Type of Business: (i.e. Surveying, Agriculture) _____

Email (To be used for updates regarding the status of the system) _____

Alternate email to add to notification list for status of the system _____

Conditions. The applicant hereby agrees to the terms of the SC Real Time Network Agreement. An account/login will be activated upon receipt of this application, a signed SC Real Time Network Agreement and payment. An email confirmation will be sent to the applicant that the account/login has been activated. If this is a Renewal or an Additional Login application, you do not need to submit another SC RTN Agreement. The SC RTN Agreement you signed to open a SC RTN account applies to any renewals or additional logins.

Annual subscription. The annual renewal rate is $600 per Login. New subscribers that join the SCRTN will pay the $600 yearly subscription plus a one-time administration fee of $100. All SCRTN subscriptions are non refundable. Subsequent yearly renewals will be based on the first day of the month of the original subscription. The administration fee will be reassessed if the subscription fee is not received by the 15th of the month of activation . An email reminder will be sent one month prior to renewal date.

A Login and Password is required for access to the SC Real Time Network. When considering how many logins you need ($600/login), you must have a sufficient number of logins for the number of pieces of equipment you intend to use simultaneously. The login is not specific to a particular piece of equipment.

When generating your login name (no more than 8 characters and no spaces), create a login with alpha numeric characters referencing the Company Name or Primary User. The password will be created by the SCGS after receiving payment. The password will be emailed to the above applicant. If the password is forgotten, SCGS will email it to the applicant listed above.

Payment Options:

1.*Check*
Mail completed application with check made payable to:
