**Explanation of Fiscal Impact**

**State Expenditure**

This bill provides for the issuance of Delta Waterfowl Foundation special motor vehicle license plates. Pursuant to Section 56-3-8000, the Delta Waterfowl Foundation will deposit a \$6,800 application fee used by the Department of Motor Vehicles to defray the initial cost of producing the special license plate. The biennial fee for these license plates is the regular registration fee set forth in statute plus an additional fee requested by the organization. Any fees collected in excess of the cost of producing the plates must be distributed to the organization. Since both the initial cost of producing the special license plate and the regular license fees are collected, we anticipate no impact on State expenditures or revenue.
