Bill Number: H. 3726 Introduced on January 23, 2019
Author: Weeks
Subject: Coroners and Medical Examiners Continuing Education
Requestor: House Medical, Military, Public, and Municipal Affairs
RFA Analyst(s): Gardner
Impact Date: February 4, 2019

Fiscal Impact Summary

The implementation of this bill will have no expenditure impact on the General Fund, Other Funds, or Federal Funds as the one hour continuing education training course on the identification of opiate related deaths will be incorporated into the existing continuing education courses provided by the South Carolina Coroner's Association.

This bill will have no expenditure impact on local governments because the required one hour of training will be incorporated into the continuing education courses provided by the South Carolina Coroner's Association. As such, each department will be able to complete the additional continuing education requirements within their current appropriations.

Explanation of Fiscal Impact

Introduced on January 23, 2019

State Expenditure

This bill requires coroners, deputy coroners, medical examiners, and deputy medical examiners to obtain at least one hour of continuing education every three years on the identification of opiate related deaths. Revenue and Fiscal Affairs (RFA) anticipates that the required one hour of training will be incorporated into the continuing education courses provided by the South Carolina Coroner's Association. As such, each department will be able to complete the additional continuing education requirements within their current appropriations.
