Explanation of Fiscal Impact

Introduced on January 14, 2020

State Expenditure

This bill updates various sections of the South Carolina Code regarding DMV to conform with current practices. As the agency already complies with the requirements of this legislation, the bill does not have an expenditure impact on the General Fund, Federal Funds, or Other Funds.

State Revenue

This bill repeals several sections of the South Carolina Code that authorize DMV to collect various fees. The department indicates that it does not collect either the \$10 fee referenced in Section 56-1-365(F) or the \$300 fee referenced in Section 56-10-510(1) due to the use of automated systems that allow virtually immediate responses. Therefore, there is no change to the agency's revenue from the repeal of these sections.
