Senate Bill 357 amends Chapter 30, Title 44 by changing the Chapter title to “Health Care Professionals” and by titling Sections 44-30-10 through 44-30-90 as the “Health Care Professional Compliance Act.” The bill adds Section 44-30-310 and amends Section 38-79-30 relating to the Good Samaritan statute. These Sections declare that a licensed health care provider, when rendering services to a patient voluntarily and free of charge, must notify the patient--in writing or by electronic medical record device--that the services are being provided voluntarily and free of charge in order to be covered under the Good Samaritan statute. When these provisions are met, the licensed health care provider cannot be held liable for civil damages resulting from treatment.
