Explanation of Fiscal Impact

Signed by Governor on May 9, 2017

State Expenditure

This bill authorizes the Department of Motor Vehicles (DMV) to issue University of South Carolina 2017 Women’s Basketball National Champions’ special license plates. The fee for the new University of South Carolina 2017 Women’s Basketball National Champions’ plate is set at \$70 biennially, in addition to the regular motor vehicle license plate fee. This bill subjects the University of South Carolina 2017 Women’s Basketball National Champions’ plate to the provisions of Section 56-3-8100, which requires an amount equal to the expenses of producing and administering special license plates to be allocated to the State Highway Fund. DMV may no longer retain these expenses. The actual increase in expenses to DMV is undetermined because data is unavailable from which to make a projection of how many of the plates may be requested.

State Revenue

This bill authorizes DMV to issue University of South Carolina 2017 Women’s Basketball National Champions’ special license plates. The fee for the new University of South Carolina 2017 Women’s Basketball National Champions’ plate is set at \$70 biennially, in addition to the

regular motor vehicle license plate fee. The fees collected in excess of the cost of producing the license plates must be distributed to the fund established for the University of South Carolina pursuant to Section 56-3-3710(B) and used for the purposes provided in that section. This bill subjects the University of South Carolina 2017 Women's Basketball National Champions' plate to the provisions of Section 56-3-8100, which requires an organization seeking a special license plate to provide DMV \$6,800, which is directed to the State Highway Fund, before the plate may be issued. Additionally, the costs to produce the University of South Carolina 2017 Women's Basketball National Champions' plate are directed to the State Highway Fund. Since this is a new plate, Other Funds deposited into the State Highway Fund would increase by \$6,800 plus the cost of producing the plate. The actual increase in Other Funds revenue to the State Highway Fund is undetermined because data is unavailable from which to make a projection of how many of the plates may be requested.
