

SC Wireless 911 Reimbursement Policy

Pursuant to §23-47-65(2)(b), the responsibility of Revenue and Fiscal Affairs Office (RFA) is to hold and distribute not more than fifty-eight and two-tenths percent (58.2%) of the total monthly revenues in the interest-bearing account solely for the purposes of complying with the provisions of this chapter and the strategic plan. These funds may be utilized by RFA, the PSAPs, and the CMRS providers licensed to do business in this State for the following purposes in connection with compliance with this chapter and the strategic plan including, but not limited to: acquiring, upgrading, maintaining, programming, and installing necessary data, networks, services, hardware, and software. Invoices detailing specific expenses for these purposes must be presented for approval to RFA in connection with any request for reimbursement, upon recommendation of the committee. Invoices presented to the Revenue and Fiscal Affairs Office for reimbursements of costs not described by this section may be considered by the Revenue and Fiscal Affairs Board, but only upon unanimous approval of the committee. In no event shall reimbursement be made for costs inconsistent with the strategic plan or which threaten the fiscal stability of the fund.

All wireless 911 surcharge fees are credited to a separate fund within the State Treasury for the defined statutory purposes. Of this fund, 58.2% is allocated to local jurisdictions for Compliance Costs and to RFA for implementing the strategic plan. These funds are distributed back to the local jurisdictions based on cost recovery requests submitted by the PSAPs. PSAPs can apply for cost recovery of expenses involving the purchase of 911 equipment, upgrades to 911 equipment, and maintenance on that equipment. This distribution is dependent upon available funding and RFA receiving the necessary data from all local jurisdictions in a timely manner. Compliancy to the following procedures is necessary for the effective distribution of funds:

1. RFA staff will establish a budget for the current calendar year for each PSAP based on estimated available funds per the fiscal model and a cost basis for a set of specific services.
2. Local jurisdictions may submit cost recovery requests for both recurring and non-recurring expenditures. Cost recoveries should be submitted on a quarterly basis, if possible, but bi-annual or annual requests are acceptable. Non-recurring requests may be submitted on an “as-needed” basis.
3. Local jurisdictions must submit all documentation required for reimbursement of eligible 911 costs within two years from the date an invoice(s) is first paid by the jurisdiction.
4. Any jurisdiction that has not submitted the necessary documents for reimbursement within this time frame will be ineligible for reimbursement of those costs.
5. Any requests for reimbursement validated after December 31, 2023, will be applied to the current calendar year budget regardless of the dates of service for invoices. **Beginning January 1, 2024, reimbursements must be validated by December 7th of each year to be applied to the current calendar year budget.**
6. Necessary documentation for reimbursement shall include either copies or originals of invoices for both recurring and non-recurring costs and proof of payment documentation for non-recurring and annual recurring costs. However, proof of payment documentation may also be required on an “as needed” basis for monthly recurring costs.
7. Refer to Appendix A for the complete list of eligible items for reimbursement from the Compliance Cost portion of the S.C. Wireless 911 Fund.
8. Refer to Appendices C and D for maximum reimbursements allowed per PSAP for the current and future calendar years.

Revised and Effective Date: January 10, 2025

Appendix A
Reimbursable Items from the Compliance Costs portion of the
South Carolina Wireless 9-1-1 Surcharge Fund (E500 4955)
(Subject to Available Funding)

NRC - Non-Recurring Charges

1. Call Handling Equipment (CHE) Necessary to Process 9-1-1 Voice / Data Calls
 - Basic Management Information System (MIS) – one MIS per jurisdiction
2. Computer Aided Dispatch (CAD) System
 - Medical dispatch protocol software and training
 - Excludes hardware, software, or interfaces to systems or modules external to the CAD System
3. CHE & CAD Workstation Hardware for 9-1-1 Telecommunications
 - PC / keyboard / keypad / mouse / monitor(s)
 - Handsets / headsets / associated jacks
 - Physical (hardware) or virtual (software) KVM switch
 - Excludes mobile data terminals (MDTs) and mobile computer terminals (MCTs)
 - Excludes radio equipment or radio interfaces
4. 9-1-1 Voice & Data Call Recorders / Loggers
 - Excludes radio equipment or interfaces
5. UPS / Generator
 - Specific only to a dedicated official 9-1-1 dispatch center
 - Proportioned amount determined by applicable load / amperage draw
6. Air Conditioning Unit
 - Specific only to the 9-1-1 server room
7. Geographic Information System (GIS) Software
 - E9-1-1 to NG9-1-1 preparation & conversion activities
 - CAD mapping components
 - Excludes automatic vehicle location (AVL) and interfaces to additional data repositories (ADRs)
8. Required Telecommunicator Training
 - South Carolina Criminal Justice Academy (SCCJA)
 - APCO Public Safety Telecommunicator (PST)
9. 9-1-1 Telecommunicator Consoles and Chairs
10. Repair Costs Associated with any Eligible Items Listed Above

Recurring Charges

1. Maintenance Costs on Eligible Non-Recurring Items
2. Licensing Fees / Renewals on Eligible Non-Recurring Items
3. Services
 - Network communication lines (9-1-1 Provider to PSAP only)
 - Network service charges
 - Language translation services – one service per jurisdiction

Items Not Eligible for Reimbursement

1. Items not listed above may be submitted for reimbursement consideration to the SC 9-1-1 Advisory Committee for recommendation, but reimbursement is contingent upon funding and approval by RFA.
2. No reimbursements will be provided for any costs incurred in the development, implementation, and/or maintenance of ESInets and/or NG core services separate from the State NG911 contract unless approved in advance by RFA.
3. No reimbursements will be provided for any costs related to contracts or agreements for ESInet and/or NG core services renewed or extended without prior approval from both the 9-1-1 Advisory Committee and the RFA Board.
4. No reimbursements will be provided for any costs related to the creation of additional, permanent PSAPs within the State of South Carolina separate from the Official PSAP List (Appendix B) without the removal of an existing approved PSAP and without prior approval from both the 9-1-1 Advisory Committee and the RFA Board*.

*(*note: relocation, co-location, and/or consolidation of these approved PSAPs is allowed upon notification of such intent to RFA)*
