

WILLIAM W. LEWIS  
ATTORNEY AND COUNSELOR AT LAW  
YORK, S. C.

June 24th, 1920.

Mr. Thos. M. Caldwell,  
Clerk of Court, Cherokee Co.,  
Gaffney, S. C.

Dear Sir:-

In accordance with the law, I am sending you copy of a plat of two square miles of York County, in process of being annexed to Cherokee County. The law requires this plat to be filed in your office, and I presume recorded also, although the Act is not certain as to that. I would suggest, however, that you file it, and record it, and send me the bill so that it may be duly paid by the Commissioners on the subject of annexation.

Very sincerely,

*W. W. Lewis*
