# Overview

- Reason for boundary clarification
- Why is the SC Geodetic Survey the chosen agency
- The requirements and duties of the SC Geodetic Survey
- Explanation of our methods
- Boundary clarification procedure
- Legal process for individuals disagreeing with SCGS findings
- Statutory description of county boundary
- Research and findings
- Monumentation and Survey
- Conclusion

# The Reason...

- Passage of time and growth has led to confusion over statutory county descriptions and the locations of county boundary lines
- Exact and precise locations and boundaries of state's political subdivisions are critical for services, enforcement of property rights and election of public officials.
- Technology exists now to cost-effectively provide definite and permanent markers of boundary lines
- Necessary for state government and political subdivisions

# Why the SC Geodetic Survey?

- Over the last 30+ years, the South Carolina Geodetic Survey has worked with South Carolina counties to help resolve some of the ambiguities present in the current Code of Law
- SC Geodetic Survey was also used in the clarification of the NC/SC boundary
- In the early 90's Greenville and Spartanburg counties asked the Geodetic Survey to help them work out the location of their Statutory Boundary. Their boundary was clarified and placed into law.
- After it's completion the General Assembly decided to enact legislation assigning the SC Geodetic Survey as the mediator to resolve disputes between counties.

# The duties of the SC Geodetic Survey (SCGS) with respect to determining county boundaries

## SC Code of Laws §27-2-105

### Act No. 262 of 2014

- (1994) Dispute between two or more counties- SCGS will act as mediator to resolve the dispute
- (1994/2014) SCGS to assist counties in defining and monumenting the locations of county boundaries and positioning the monuments using geodetic surveys where counties are ill-defined, unmarked, or poorly marked
- (2014) SCGS will clarify county boundaries as defined in Chapter 3, Title 4
- (2014) SCGS will analyze archival and other evidence and perform field surveys to position geographically all county boundaries in accordance with statutory descriptions
- (2014) To amend section 27-2-105, Code of Laws of South Carolina, 1976, relating to the duties of the South Carolina Geodetic Survey (SCGS) with respect to determining county boundaries, so as to authorize and direct the SCGS to clarify county boundaries and mediate boundary disputes between counties by providing a procedure allowing the SCGS administratively to adjust county boundaries, to provide the procedures including notice that SCGS must follow in making such adjustments, to provide that affected parties may appeal these adjustments to the Administrative Law Court in a de novo hearing, to provide the method of determining the effective date of these administrative county boundary adjustments and the notice requirements for these adjustments to be effective and to provide that nothing contained in this administrative process restricts the authority of the General Assembly by legislative enactment to adjust or otherwise clarify county boundaries by legislative enactment.

### SCGS Requirements:

- Upon reestablishing county boundary, SCGS shall certify its work and within 30 days of certification:
  - Provide copies to the administrator of each affected county;
  - Provide written notification to affected parties
  - Provide notice and copies to the public through its official website and or other means it considers appropriate; and
  - Notify as it determines appropriate, other affected state and federal agencies
- (Initiates 60 Day Appeal Process)
- Certified Surveys submitted to Secretary of State, Register of Deeds Offices, and South Carolina Department of Archives with Cover Letter
- Date of the cover letter is the date the surveys become effective
- Introduce Legislation to update Code of Law to reflect clarified boundary with State Plane Coordinates

# SCGS Steps for Clarifying Boundaries

- Notify County Administrators in advance of planned work
- Conduct historical research for documentary evidence of boundaries\*
- Perform field work to locate monuments and corroborating evidence and position on State Plane Coordinates\*
- Share preliminary findings with county officials for impact analysis and to plan public meetings
- Hold public meeting
- Receive feedback and input from local officials and public
- Review and update findings, as appropriate
- Certify plats\*
- Send out mailings to affected parties along boundary\*
- 60day window for appeals\*
- Record/File plats\*

# SC Code of Law SECTION 27-2-105

- **Affected Parties Disagreeing with SCGS:**
  - May file request for a contested case hearing with the SC Administrative Law Court
  - This decision may be appealed
  - **“Affected Party”**
    - Governing body of an affected county
    - Governing body of a political subdivision of this State
    - An elected official, other than a statewide elected official
    - A property owner or an individual residing in the certification zone
    - A business entity located in the certification zone
    - A nonresident individual who owns or leases real property situated in the certification zone

Re: *-Street\_Address-, County: -County-, TMS/PID -TMS\_Number-*

Dear Sir or Madam,

Berkeley County and Dorchester County contacted the South Carolina Geodetic Survey (SCGS) requesting the SCGS's assistance to clarify and re-establish their common boundary. Uncertainty regarding the location of the boundary that was established by the creation of Dorchester County in 1897 is causing confusion about jurisdiction. So that this confusion will not continue, Berkeley and Dorchester counties have committed to accurately determining the location of the boundary as defined by the SC Code of Laws, marking it with proper monuments, and referencing it to geographic coordinates. A draft of the survey and other information will be found on the SCGS' website at: [http://rfa.sc.gov/geodetic/cb\\_projectlist/berkdorc](http://rfa.sc.gov/geodetic/cb_projectlist/berkdorc)

The reason for this letter is two-fold:

The first reason is to inform you of how the proposed re-established Berkeley-Dorchester boundary will/might affect you as a property owner. Included, with this letter, is an aerial photograph showing your property, the proposed re-established Berkeley-Dorchester county line and the parcel (property) lines used by each county.

**For the property referenced in this letter, it appears that there is or may be a significant impact.** A significant impact is defined as a residence, place of business, or the majority of a parcel being found in a different county based on the proposed re-established boundary and county GIS lines. The final determination of taxation will be decided by the counties.

The second reason is to inform you that the SCGS will present its findings and work performed in re-establishing the Berkeley-Dorchester boundary at a public meeting. The meeting will be held in the Dorchester County Council Chambers, 500 N. Main Street (Use Cedar Street Entrance); Summerville, South Carolina 29483; Tuesday August 22nd at 6:00 pm.

If you have any historical or legal information regarding the location of the Berkeley-Dorchester boundary, please bring it to the attention of the SCGS staff so that it can be evaluated with respect to finalizing the re-established boundary. Contact information is provided below and staff will be on hand at the public meeting for review.

If you own several parcels along the re-established boundary, you may receive several letters from this agency. Please let us know if you are not the current owner of this property. If any of this property is leased, using the contact information below, please provide us with the name and address of the current tenants of this property.

Cordially,

Allendale County Established-Boundaries-County Seat

South Carolina - Legislative Acts Creating Counties / Districts

An Act to Establish Allendale County.

Year - 1919, c. 6, 1919

Acts and Joint Resolutions of the General Assembly of South Carolina, 1919, Page 261

WHEREAS, At an election ordered and held in accordance with the laws of this State the qualified voters residing in certain portions of Barnwell and Hampton counties did decide by the necessary legal vote in favor of the formation of a new county; and,

WHEREAS, All the conditions required by the Constitution and laws of this State regulating the formation of new counties have been fully complied with:

SECTION 1. Allendale County Established - Boundaries - County Seat.

Be it enacted by the General Assembly of the State of South Carolina, That a new county as a judicial and election district is hereby formed and established pursuant to the Constitution and laws of this State, the same to have the following boundaries: Beginning at a point in the Savannah River on the South Carolina and Georgia boundary line opposite Steel Landing and running in a northerly direction to a stake at Steel Landing; thence a straight line north 43 degrees east about 6.12 miles to a stake at or near the intersection of the Barnwell-Robbins public road with a road leading to Millett; thence south 73 degrees east about 5.23 miles to a stake at or near Stinson's bridge on Lower Three Runs; thence south 70 degrees east about 5.50 miles to a stake at or near Goodson's Mill site; thence east about 4.72 miles to a stake on Well Branch; thence down the run of Well Branch to the Barnwell-Bamberg county line; thence down the Barnwell-Bamberg county line to its intersection with the Barnwell-Hampton county line; thence southwesterly along said Barnwell-Hampton county line to its intersection with the eastern edge of the right-of-way of the Seaboard Air Line Railway; thence in a southerly direction along said eastern edge of the said railway right-of-way to a stake eight miles and 200 feet from the Hampton County Courthouse; thence in a westerly direction to the confluence of Beach Branch with the Coosawhatchie River; thence up the run of said Beach Branch to its intersection with the eastern edge of the right-of-way of the Southern Railway Company; thence southerly along said eastern edge of said right-of-way 3.78 miles to a stake; thence south 49-1/2 degrees west 1.68 miles to the junction of the Hudson Ferry Road and the Sisters Ferry road; thence southerly along the south side of the said Hudson Ferry road to a stake about one-half mile above Long Creek bridge; thence in a straight line south 71 degrees west about 1.75 miles to a stake on the east side of the River Road about one-fourth mile north of Long Creek Bridge on said River Road; thence in a straight line south 55 degrees west 10,104 feet to a stake between an ironwood tree and a small branch; thence west 3,306 feet to a stake on the east side of Savannah River; thence continuing west to a point in the Savannah River on the South Carolina-Georgia State line; thence northerly along said South Carolina-Georgia State line to the point of beginning. The said county is hereby named Allendale, and the county seat thereof is hereby established in the town of Allendale.

§ 2. Commissioners—Powers and Duties—Compensation.

That the following named persons, T. F. Hogg, George D. Kirkland, W. Z. Bryan, W. C. Bryan, J. Fred Lightsey, N. B. Loadholt, J. W. Jenny, W. R. Darlington, W. I. Johns, A. T. Allen, E. H. Oswald, W. T. Riley, Jr., and LeRoy Wilson, are hereby made and constituted Commissioners of the said county of Allendale, and they are vested with the power and authority to fill any vacancy that may occur by reason of death, resignation or otherwise of either or any of them by the election of some suitable person or persons to fill said vacancy; and they and their successors in office are hereby authorized, empowered and directed to have
