Explanation of Fiscal Impact

State Expenditure

This bill amends Section 8-13-1320 concerning the campaign contributions made on or before the seventh day after a primary is attributed to the primary unless there is a primary runoff. If there is a runoff, a contribution made after the date of the primary and through the date of the primary runoff is attributed to the primary runoff.

The State Ethics Commission indicates that this bill would require changes to the electronic filing system. The expenditure impact would be minimal and can be absorbed within current resources.
