Fiscal Impact Summary

The expenditure impact on this bill is undetermined.

Explanation of Fiscal Impact

State Expenditure

The bill requires the Department of Education and local school districts to provide meals to kindergarten through twelfth grade that must meet or exceed the nutritional requirements established by the United States Department of Agriculture (USDA) Food and Nutrition Service. All a la carte items sold for student consumption must be included on school menus in addition to the regular meals.

The State Department of Education indicates that this bill may affect local school districts in several ways, some positive and some negatively. The result is unknown.
