Explanation of Fiscal Impact

State Expenditure

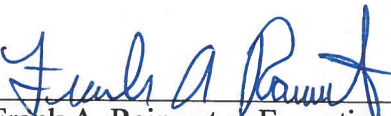

This bill amends several sections of Title 8 Chapter 27 related to the protection of employees reporting violations of state or federal law or regulations. This bill increases the potential damages a whistleblower may receive if dismissed, suspended from employment, demoted or receives a decrease in compensation. Based on information provided by the State Budget and Control Board that indicates a very small number of these cases, we estimate this bill will have a minimal expenditure impact on the General Fund, Federal Funds, or Other Funds.
